If your application is accepted you will be issued a restricted learners permit for either HR or HC. You will then be required to undertake a practical assessment in the class of vehicle you are applying for. This test may be conducted by an authorised/accredited instructor or a Police Officer.

Once you have successfully completed your practical driving test you must attend a Service SA Customer Service Centre to have your driver's licence issued with the new restricted class.

Approval cannot be assured by WCGSA; the restricted licence is issued at the sole discretion of the Registrar of Motor Vehicles
